HAND-HARVESTING AND VINIFICATION

Hand-picked; direct pressing; temperature-controlled fermentation; aged on fine lees

VINTAGE PERCEPTION

2024 was a very fine vintage, despite yet another severe late frost episode in the region, which did not totally spare the estate. Alternating good rains, windy spells and temperatures that were not excessively high enabled us to obtain a very well-balanced harvest, with a real freshness in the wines obtained. They are easily digestible and fine, without excess.
