HAND-HARVESTING AND VINIFICATION

Hand-picked; direct pressing; temperature-controlled fermentation; aged on fine lees

VINTAGE PERCEPTION

2023 was a very fine vintage, marked by heavy rain at the start of the campaign, which led to some harvest losses due to "couleur" and "rot gris". This was followed by well-balanced grapes despite the high temperatures of early September. So we had to be patient to get the best out of the year!
