HAND-HARVESTING AND VINIFICATION

Hand-picked; total destemming, no crushing; spontaneous fermentation; gentle maceration for a dozen days at between 20 and 25° C; blending of free-run and press juices.

VINTAGE PERCEPTION

2023 was a very fine vintage, marked by heavy rainfall at the start of the campaign, which led to some harvest losses due to coulure and rot gris. This was followed by well-balanced grapes despite the high temperatures of early September. So we had to be patient to get the best out of the year!
