Density: 4400 pieds/ha

Pruning method: Royat vine trained on a trellis

Aging: 12 months on fine lees in concrete tanks

Bottling: Wine fined and unfiltered; bottled on fruit day in July 2026

HAND-HARVESTING AND VINIFICATION

Hand-picked; direct pressing; temperature-controlled fermentation; aged on fine lees.

VINTAGE PERCEPTION

The 2025 vintage got off to a rainy start, which allowed for a balanced growing season and good overall resilience to the heat waves experienced in June and August. As a vintage with a slow ripening process, we had to wait to harvest crisp, juicy grapes that produced a refreshing white wine with a lovely structure on the palate.
